The Govt. of H.P. had closed down all institutions, including higher educational institutions due to Covid-19 pandemic in order to curb and control the spread of the fatal disease. and after review of the Covid situation, the Govt. has relaxed the restrictions imposed on Institutions subject to compliance of necessary SoPs issued in this regard from time to time.

In view of the decreasing impact of the Covid, it is thought expedient to open the facilities of laboratories etc. in the Universities in order to carry out and continue research work by the Ph.D. scholars enrolled for the award of degrees.
