Versus

APG Shimla University, Mehli-Shoghi Bypass Road, Shimla-171013, Himachal
Pradesh through its Registrar.

.....**Respondent**

ORDERS

In response to order dated 18.10.2019 in case No. 18 of 2019 respondent University had given compliance by allowing the review petitioner/ original petitioner/ complainant student Shri Gaurav Dubey for appearing in examinations-current/ reappear as per directions of the Commission. Registrar had also allowed the complainant to appear in all the internal/external examinations, later on which was denied for internal examinations. After hearing both the parties on different dates, I have arrived at a conclusion that as such the complainant student should have completed all the internal Examinations during the course of study and only the external/ final examinations should have been left to be attempted if any but on account of rustication/ expulsion the complainant student could not/ did not attend classes and also couldn't appear in the internal examinations means without studying/ attending classes the complainant-student wants to appear/ reappear in examinations which would not be in the interest of quality education.

Keeping in view the Right to Education, as a last chance to the complainant student the respondent University is directed to allow the student to take admission in respective semesters to which the courses in which he has to appear, belong to and let him

pursue the course of study as a regular student since the complainant has already paid fees for these semester, no fee be charged from him for the semesters for which he had already paid the same. At the same time, keeping in view the past record, the complainant student is directed to mend his behavior.

Order be uploaded on the website of the Commission.

Copies of order be supplied to the applicant and respondent University.

Date: 6th February 2020.
