ORDERS

A complaint regarding verification of authenticity of M.Tech (Environmental Sciences) degree bearing registration No.MBU-1010-8919 was received. This degree was said to have been awarded to Mr. Lekh Raj S/o Ramji Dass who was working in Indus International University based on this degree. On receiving the complaint Indus International University was directed to get verified all the degrees of all the faculty members which were not verified by the University.

Commission issued Notice to Manav Bharti University for verification of the said degree. Registrar MBU submitted before the Commission that the said degree bearing Registration No. MBU-1010-8919 issued to Mr. Lekh Raj S/o Sh. Ramji Dass has not been issued by Manav Bharti University and Mr. Lekh Raj was never a registered student of the University as per record.

Therefore, conclusively it is drawn that the said degree bearing registration No. MBU-1010-8919 has been obtained by Mr. Lekh Raj through some illegal manner, the source best known to him. Registrar of Indus International University informed that Sh. Lekh Raj Saini has been terminated from the services as he could not produce the verified degree from Manav Bharti University.

Considering the fact and documents on record it is conclusively drawn that Indus International University employed a person without verification of his documents which should have been done before giving appointment.

The Registrar of Indus International University is directed to file an FIR against Sh. Lekh Raj Saini for obtaining a fake degree and get the source of such degree investigated. Indus International University is directed that in future while recruiting faculty it should be ensured that all testimonials of candidates are verified before giving any appointment to faculty members with information and copies of verified testimonials be sent to HP-PERC before appointing a faculty member. Further that all the degrees of all the present faculty members be got verified within 30 days from the receipt of these orders and compliance be submitted to the Commission along with details of staff members and their degrees.

Order be uploaded on the website of the Commission.
