ORDERS

A complaint from the complainant was received on 29.11.2012 on the basis of the complaint case was instituted on 15.03.2018. The points of consideration are as follows:-

1. The mark sheet of 4th semester were not provided to the student
2. The fee charge by the Institute more than that prescribed fee by the fee structure committee.

From the record produced before the presenting officer and the statement recorded it was evident that regarding the marks sheets of 4th semester was not issued to the students therefore the interim orders were passed directly. The respondent directed to issue marks sheets to all the students which were complied by the respondent Institute. After obtaining the clarification from the Pr. Secretary education which is the authorized authority of the fee committee constituted by Government of H.P, It was evident that the practical fee had to be payed by all the students of B.Ed course session (2015-2017). It is therefore decided that the fee charged by the respondent Institute was as per the decision of fee committee. Therefore, no refund of any kind is due to the complainant. However directions are issued to the respondent Institute not to charge any extra fee other than that decided by the fee committee constituted by the Government of H.P.

Copy of orders issued separately and the same be supplied to the concerned parties and be uploaded on the website of the Commission.

The case is hereby disposed off and record is consigned to the record room.
