For Respondent: Mr Ajay Singal, Registrar

Sr. No.	Date	ORDER	Si
1	03.09.2024	<p>The matter was called up for hearing today. Complainant appeared personally and Registrar Ajay Singhal appeared on behalf of respondent university. On perusal of complaint and reply and other documents filed by the parties it has been observed that the complainant took admission in the MBBS in the last counselling and vacate the seat due to medical grounds but did not inform the university before the last date of admission. On the other hand university submitted that their seat for MBBS remains vacant for four years as the intimation regarding vacating the seat was not conveyed by the complainant on time. Further submitted that the university cannot refund the one year fee paid by the complainant but on humanitarian ground will not claim for further four years fee from the complainant.</p> <p>The Commission hereby observes that as intimation for vacating the MBBS seat was not conveyed to respondent university well in scheduled time. Hence no refund of fee can be given to complainant and further the university seeing the medical condition of student shall not claim further four year MBBS fee from the complainant. Hence nothing survives in the matter and the same is disposed off. The aggrieved party may approach the appropriate forum.</p> <p>(Prof. Shashi Kant Sharma) Member</p>
